

## User Manual for Magic Light Bulb

1. Each bulb has 2 rings.

2. Put one ring on the middle finger before performance.

3. Hold the bulb and show to the audience.

4. Ask audience to pay attention to the bulb, light the bulb.

5. Touch audience's hand, light the bulb, loose and off.

6. Touch the wall, desk or anything, light the bulb, loose and off.

**Explanation:** Only when the ring connects both top and side, the bulb lights on. The bulb will be off when there is no connection.
